

QPHS Curriculum Intent – PSHCE

Personal, Social, Health, Citizenship, Economic Education

At Queen's Park High School the PSHCE curriculum is designed to fulfil the schools core vision; 'Inspiring Individuals, Empowering Minds, Defining Futures.'

Inspiring Individuals

- Provide an ambitious curriculum so that all students gain Personal, Social, Health, Citizenship, Economic Education so that they can develop and thrive in the wider world.
- Provide a dynamic and responsive curriculum so that all students gain relevant and up to date curriculum learning, adapting to what is happening in the real world.
- Encourage students to be open minded and curious via: asking questions, discussion and debate.

Empowering Minds

- Enhance students' wider personal development via encouraging the use of a range of personal and social skills that will enable them to become well-rounded, responsible, and engaged members of society.
- Ensure all students know how to keep Physically and Mentally Healthy including an understanding of Relationships, Sex and Health Education.
- Develop students' understanding of fundamental British values / Spiritual, Moral, Social, Cultural development including an understanding and appreciation of diversity, celebrating what we have in common and promoting respect for the different protected characteristics as defined by law.

Defining Futures

- Enhance students' cultural capital to succeed in life via development of the skills, knowledge, norms and values which can be used to get ahead.
- Develop students' knowledge and skills for future success in their next steps, learning and careers.
- Prepare students for life in modern Britain and the wider world by equipping them to be responsible, respectful, active citizens who contribute positively to society.
